

PROGRAM GOALS

Fort Worth Public Art is a City of Fort Worth program to create an enhanced visual environment for Fort Worth residents, commemorate the city's rich cultural and ethnic diversity, integrate the design work of artists into the development of the City's capital infrastructure improvements, and to promote tourism and economic vitality in the city through the artistic design of public spaces. The Arts Council of Fort Worth and Tarrant County manages the program.

All artworks listed are owned and maintained by the City of Fort Worth
