PROJECT NAME: TRAIL DRIVER'S PARK

Trail Driver's Park Public Art Project Outline

The City of Fort Worth has completed improvements at Trail Driver's Park as part of the City of Fort Worth's *2014 Bond Program*. Improvements include refurbished parking, a new pavilion, and added bench seating and tables around several pathways. This location was identified as part of the *Fort Worth Public Art Plan for the 2014 Bond Program*.

PUBLIC ART SITE AND APPROACH

This public art project provides an opportunity for a local artist to create a unique artwork for Trail Driver's Park. The artwork shall be integrated into the north end of the park with a focus on telling the story of the area. The Project Core Team requested that this project be harmonious with neighboring public artworks by Leticia Huerta along the Lebow Channel bridges along 28th Street and Brennan Avenue. They further discussed artwork that would be approachable for all generations.

PUBLIC ART BUDGET

The Trail Driver's Park project is included in the *Fort Worth Public Art Fiscal Year 2020 Annual Work Plan*, adopted by the Fort Worth City Council on April 7, 2020 (M&C 20-0204). Funding for the project was included in the *Public Art Plan for the 2014 Bond Program* as well as the *FY2020 Fund Reprogramming Plan* totaling \$172,017.17 which includes contingencies and project management costs.
